

Our Slavery and Trafficking Statement

For small businesses such as ours, awareness is the key to ensuring that this policy reflects the standards and ethical considerations we apply to our supply chain. We have in place:

- Due diligence checks to identify and assess potential risk areas such as agency staffing.
- The monitoring of potential risks in our supply chains by checking our supplier's commitment to modern slavery prevention.
- A robust recruitment and selection process to mitigate the risks of modern slavery entering our workforce.
